TAKESHITA DEMONS: COLOURING IN – KAPPA

The *Takeshita Demons* books feature Japanese monsters and demons, called yōkai. Many yōkai were first drawn by Toriyama Sekien, an artist who lived in the 1700s.

This is Sekien's picture of a kappa, a water-loving creature who likes to drink blood and eat cucumbers. What colour do you think it was?

Kappa (河童 in kanji; かつば in hiragana)
